

**CURRY COUNTY CONTESTS.**

Following is the set of rules governing the county contests held four weeks from Friday in this city. They will be of interest to all school districts in the county for it is very important, if the contests are to be a success, that full participation be had.

The county contests shall be held in Clovis, the county seat, on the afternoon and evening of Friday, April 19, the afternoon being given to the county athletic meet to be held on the school athletic ground, and the evening devoted to oratorical, declamatory and musical contests held at a church of the city.

For all the county contests pupils shall be divided into two classes as follows: Class 1, to consist of the pupils of the ages of fifteen to twenty inclusive; Class 2, to consist of the pupils of the ages of ten to fourteen inclusive.

The athletic meet shall consist of two divisions, that for class 1 and that for class 2, with the following events in each class: 100 yard dash; 220 yard dash; 440 yard run; half mile run; mile relay (team of four each running 140 yards); board jump; high jump; pole vault.

Points shall be awarded as follows: For first place 5, to second place 3, to third place 1. To the winners of places in each event shall be awarded suitably printed ribbons as follows: to first place a blue ribbon, to second place a red ribbon and to third place a white ribbon. To the highest total point winner of the meet shall go a medal or other suitable award.

The county Cup shall go to the school which in either division makes the highest total score.

Not more than three pupils may be entered in any one event of the meet in any school, nor may any individual

pupil be entered in more than three separate events exclusive of the relay race. All contestants must be registered for their events with the county superintendent not less than one week before the meet—penalty non-participation in the meet.

The association shall at its pleasure select a manager for the meet, who will handle details and select such assistants as shall be necessary to make the meet a complete success.

The Friday evening contests shall consist of the following: Oratorical, Class 1, Oratorical Class 2, Declamatory Class 1, Declamatory Class 2, Vocal Music Class 1, Instrumental Music (Piano) Class 1.

Not more than one pupil from each school may be entered in each of the six contests.

Not less than four weeks before the contests entrants for the Friday evening contests must be registered with the county superintendent. The selection given, in order to bring the entrant into the Oratorical contest must be the whole or a part of some standard oration, while in the Declamatory contest the subject given must be a reading, story, poem or other literary from such as is usually given in a contest of this nature. The county superintendent, in case of question shall decide whether a given selection goes into the Oratorical or Declamatory class. Selections shall be limited to seven minutes each.

Medals or other suitable awards shall be given to the winners of first place in each of these six contests.

An admission of 25 cents to adult and 10 cents to child spectators shall be charged both at the afternoon and evening contests. After the necessary expenses of the day shall have been paid, any surplus shall be prorated among the schools sending contestants.

Any further information will be

gladly furnished by the county superintendent or by A. R. Seder who has been named manager of the county athletic meet.

**A HUMAN INTEREST DRAMA  
OF ESPECIAL INTEREST  
TO WOMEN!**

Women's place is in the home. Undoubtedly. If this be true, how much that would do the world good, how

much help that the world really needs would be kept hidden away within the doors of the home? Could the good women accomplish the great good they do now, taking their part in the world's work, if their place was in the home?

Still, some folks say that "some" is the place for the woman. Duran said it, and this picture will tell you whether or not Duran was right. Be sure you see it at the Lyceum, Wednesday, March 27th.
